Model COL-3 Deck

1. Determine where to install the faucet column.
2. Drill the openings for the water inlets.
3. Anchor the column to the floor using the appropriate method, specifically:
  - a) if the floor is made from wood, use floor screws after pre-drilling the base of the column.
  - b) if the floor is made from concrete or floor tiles, affix the anchors to the floor. Pre-drill the base of the column and finalize the installation with the appropriate screws.

#### Drilling for faucets:

Use the appropriate hole-saw recommended by the faucet manufacturer.

## CLEANING GUIDE

The WETSTYLE FURNITURE are made from rift-cut oak veneer, on high density select fiberboard and available in natural, wenge, white-washed or grey-washed shades. To ensure that the wood is waterproof, it is sealed with catalyzed varnish, a coating normally used for the decks of boats.

The WETSTYLE Furniture is ultra-easy to clean: after each use, simply wipe with a soft cloth after each use, to remove any surface dirt.

For standard cleaning, we recommend using warm water with vinegar.

Do not use abrasive products or cream cleansers.

Never use petroleum-based products when cleaning, i.e. paint thinners or other solvents, as they may damage the wood surface.

## WARRANTY

The warranty on WETSTYLE products covers all defects in materials and manufacturing for a period of one year from the date on which the owner originally purchased the product directly from WETSTYLE or from an authorized retailer. This warranty is valid for the original owner only.

This warranty does not apply to cases in which a product was incorrectly installed, nor to damage due to negligence, misuse, cigarettes, flames, natural catastrophes or other accidents.

WETSTYLE is not responsible for costs and claims that may arise from purchase of a product unsuited to the structure of the existing building.

Any transformation or alteration made to a WETSTYLE product automatically voids the warranty.

The manufacturer's warranty is limited to repair or replacement (with a product of equal value), provided the claim is made to an authorized retailer or directly to WETSTYLE within the warranty period. Labour costs and any other expenses entailed by replacement of a WETSTYLE product are not covered by the warranty.
